

VOLUNTEER AT THE

LIFETIME® SEA OTTER CLASSIC

PRESENTED BY Continental

WORLD'S PREMIER CYCLING FESTIVAL

APRIL 18-21, 2024 | Laguna Seca Recreation Area

Volunteer and earn a financial grant for your non-profit organization!

The Life Time Sea Otter Classic - The world's largest cycling festival - is made possible thanks to hundreds of volunteers and thousands of volunteer hours. Local non-profit organizations provide volunteers and the Sea Otter Classic Foundation awards financial grants in appreciation of the volunteer hours they contribute.

Sea Otter Classic Volunteer Overview

- The SOCF provides a convenient sign-up platform that allows your volunteers to select their job, time slot and the organization their hours are supporting.
- Non-profit groups can choose a job to volunteer as a group, or volunteers can choose from all available jobs, or a combination of both. Post-event we tally up all the hours volunteered and award the Financial Grants within 30 days.
- Volunteers receive a 4-day event pass, t-shirt, lunch, and every hour volunteered counts toward a financial grant for their organization.

Volunteer jobs range from serving as Race Course Marshals, to Kids' Ride Zone monitors, staffing information booths and hospitality venues. Our volunteer groups include a wide range of civic organizations, clubs, human service agencies, churches, military groups, and more. In 2023, the Sea Otter Classic Foundation awarded \$75,000 in financial grants to 40 organizations in the local non-profit community.
